Professional Experience

October 2009 to January 2011

The Dream Detective Media Properties Inc. (www.corp.areyouawake.tv & www.areyouawake.tv) – Vancouver BC

Web Producer / Editor

Worked for The Dream Detective Media Properties to build the "Are You Awake" brand, a transmedia property. (The expectation was to develop the property into a television production/web series or movie.) Worked on building the brand, the initial website, and later was the Editor and Producer for the promotional comic book that was printed and distributed (50,000 copies) at New York Comic-Con in October 2010. Project is currently on an extended hiatus.

Skills & Competencies:

- Actionscript
- Adobe Photoshop
- Adobe Illustrator
- Adobe Acrobat
- Adobe Dreamweaver
- Adobe Fireworks
- Adobe Flash
- Eclipse
- Subversion
- MySQL

Professional Experience, continued

February to September 2008

Zeros to Heroes (www.zeros2heroes.com) – Vancouver, BC

Editor

Worked as an Editor on two books, Gustav Hayes and Abigail's War, that were part of the Zeros 2 Heroes Comic Creation Nation. Ensured that books were completed on time, on budget and were ready for final launch on the Zeros 2 Heroes social media website. Both can be seen here: [Abigail's War](#) and [Gustav Hayes](#). Abigail's War has begun script development to become a movie.

May 2006 to present

Vanilla Bean Solutions (www.vanillabeansolutions.com) – Port Moody BC

Online Developer

I have been running Vanilla Bean Solutions as my own web consulting business. Vanilla Bean Solutions has assisted new businesses with their web presence and technical support, social media development, along with various sub-contracting work which requires Front-End development (skinning themes and CSS fixes) and PHP programming on content management systems (WordPress and Drupal).

March 2006 to February 2009

Devlin eBusiness Architects (www.devlin.ca) – Vancouver BC

Production Developer

Devlin purchased the Web Development department of Radiant Communications. I joined the Devlin team as a full-time production developer until May 2006 when I left full-time employment due to family matters.

I continued part-time with contract work at Devlin in Vancouver prior to and after being sold and renamed Sync2 Agency.

June 2004 to March 2006

Radiant Communications (www.radiant.net) – Vancouver BC

Web Application Developer / Production Developer

Information architecture (psuedo-code, wireframing, etc.); Rapid prototyping; User Interface Design; User Functionality; Cross Browser Compatibility; Dynamic Site Development & Programming; Database Maintenance / Creation; HTML; Graphics & Rich Media Production; Site Deployment; General Website Maintenance; User Testing.

Technologies used include Apache, SSI, Lucene, Tomcat, Java, Struts, Solaris, MySQL, MS SQL Server, XML, XSLT, PHP, Perl, Javascript, Coldfusion, Flash, Flash Remoting, Action Script, HTML, CSS, DNS, VPN.

June 1999 to June 2004

Bayleaf Software (www.bayleaf.com) – Vancouver BC

Web Development Manager

Information architecture (psuedo-code, wireframing, etc.); Rapid prototyping; User Interface Design; User Functionality; Cross Browser Compatibility; Dynamic Site Development & Programming; Database Maintenance / Creation; HTML; Graphics & Rich Media Production; Site Deployment; General Website Maintenance; User Testing; Marketing (including rfps) and Sales; Invoicing and Billing.
